ABOUT ME

I am passionate about front-end development and always looking for opportunities to improve my skills. I believe that working in a real environment and expressing myself in a group will help me contribute positively to company projects and learn from individual experiences. I aspire to work at the company and bring value during my time there.

EDUCATION

Thai Nguyen University Of Information And Communication Technology

2019 - 2024

- Software Engineering
- GPA: 3.0
